

Corporate Prayer of Consecration

Lord, we rise on this day with a thankful heart, a right spirit, and a new determination to step into your presence asking for your mercy, and your grace to be upon us in this our 30 days of corporate prayer.

We acknowledge and trust in your sovereignty that you, God, will bring salvation to our local, state, national, and international communities. As we journey through these next 30 days of consecration, there shall be a shaking in the heavens, and earth, as well as beneath the earth, because of the angels that are being dispatched on behalf of your people to war for us.

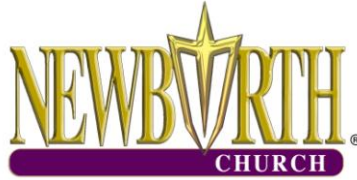

Lord, let our minds be cleared so that we may hear from you, and be able to flow in faith with your Spirit.

Lord, you promised that the debilitating mountains of our lives will be utterly destroyed, that the crooked places would be made straight, and that the land upon which our feet tread would prosper.

We thank you in advance that our families, marriages, home, relationships, ministries, and businesses, will be brought into order that we may prosper accordingly.

Lord, when we, your people, assemble ourselves together on the 30th day of consecration in one place, and on one accord at "**midnight**" things will change, and there will be a shifting in the atmosphere throughout the universe causing unexpected breakthroughs, as well as supernatural healings and deliverances that transform the foundation of economic, social, and spiritual situations, circumstances and events in the lives of your people; because at "**midnight**" it's a new day in a dark place.

Amen ... Amen... Amen

Pray for Our Church

Bishop/Bishop's Family

Dear Father, in the name of Jesus Christ, I lift up our Bishop to You and surround him with love and faith that he will make wise decisions concerning the spiritual welfare of the members.

I pray that you will fill him with the full, deep and clear knowledge of Your will in all godliness and spiritual understanding. Enrich our Bishop with all knowledge and utterance so that he will not fall behind in any good gift while waiting for the Lord's return.

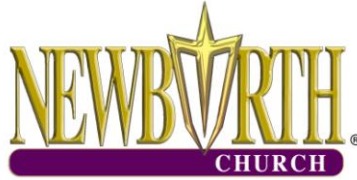

May our Bishop walk worthily of You, Lord, that he may be a shining example to the flock, not only in his words but in the way he conducts his life.

Father, strengthen and encourage our Bishop, so that he will not become weary in well doing.

Give him faithful, committed people who will work together to establish and execute Your plan for his life and ministry.

Bishop/Bishop's Family

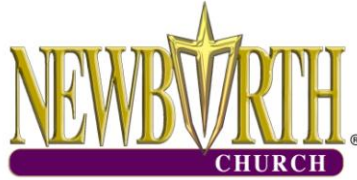

Father, I pray for my Bishop's family in the name of Jesus. Help them to manage the stresses and demands of the ministry so that those demands do not adversely affect their home life. May their home be a haven of rest and refuge for them.

Enable our Bishop and Lady Adrienne to manage their home and rear their children in a manner that is pleasing in Your sight, Father.

I pray for their children: Sylvia, Sarah and Crystal. May they learn to cope with and understand people's shortcomings and failures so they do not become bitter toward You and the church. May there be such a godly influence in their home that they grow up loving You and desiring to serve You all of their days.

Families of New Birth

Father, in the name of Jesus Christ, I ask You to make us a family church, a church that ministers to the needs of people throughout the many stages of their lives.

Strengthen the families of our church in love and commitment to one another.

Enable us to show people the biblical way, Your way, to have successful families.

Lord, give us answers for troubling issues that our families face in this day in which we live.

Give us guidance and wisdom to help people who are in troubled marriages or who are struggling with other problems in their own lives or in their children's lives.

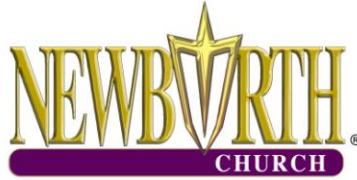

Make a difference between us and those who do not follow Your way. Strengthen the marriages in our church and give parents wisdom to rear well behaved, godly children so that we may be an example to our community and the world at large of Your purpose in the earth.

Property Ownership & Building Project(s)

Father, in the name of Jesus, I praise you for blessing New Birth. Thank You, Father, that our church is growing and that we have need of more space to accommodate the growth. I declare that 1411 E. Leland Rd. in Pittsburg and the surrounding properties come into the possession of New Birth and are added to the portfolio of the Kingdom of God.

Surround our Bishop and the leadership of this church with wise counsel. May divinely directed decisions be upon their lips. Alert them of potential problems and show them how to avert and overcome them.

Father, send us wise hearted and skillful workers for the construction of our building(s). May they be honest men and women who will do all within their power to make our building(s) safe, economical and well furnished.

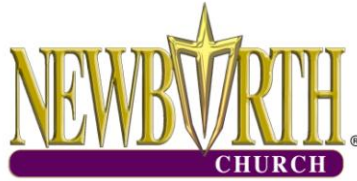

I pray for the safety of the workers while they are on the job.
I pray there will be no injuries or accidents whatsoever.

May there be no delays in the work! either due to inclement weather or the manufacturing and shipping of the needed materials and goods. Stir up our hearts to give liberally.
May we have more than enough money to complete the work.

Father! make our building(s) and land(s) an asset in our community
and a praise to Your name.

Pray for Our Church **New Birth Latino Church Growth**

Father, in the name of Jesus, I thank You that You have made a way for the membership in New Birth Latino church to grow and that New Birth Latino would also grow in grace and in Your Word.

I pray that You would equip those needed to do the work of this ministry. Father, help them find the places where they can be the most effective.

Give Elder Inga and the leaders of our church divine guidance in ways to reach out to those in our Latino community who are unsaved and who are looking for a church to call home.

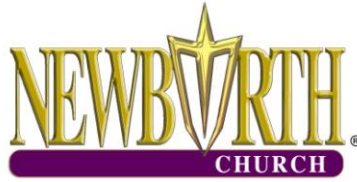

May we grow together as a body of believers so that we increase not only in numbers but in our effectiveness to reach out to our community and the world.

Pray for Our Church **Leadership**

Father, in the name of Jesus Christ, I pray for the leaders of this church. May their hearts and minds be as one with the plan You have given our Bishop.

May they move together as one, speaking the same thing, persevering to accomplish the same goal.

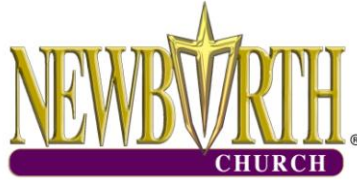

May each one be effective in his or her given area. May they walk the walk and not just talk the talk. I pray that their manner of living would reflect Your presence not only to those in the church but also to those in the community.

May the same spirit of love, faith, and unity in the leadership of our church be so infectious that it would spill over and affect for good all the members of the church family.

Father, in the Name of Jesus, we thank you that you, yourself have called us to the city of Oakland. We thank you for the great plans that you have to prosper Oakland and its inhabitants, and for the plans you have to bring great hope and a future.

We pray that you would establish a strong church leadership team to carry out the vision that you continue to impart daily to our Bishop. We pray for favor with the leaders of the Oakland community and surrounding region. May you give Bishop and the leaders of NBO the Godly wisdom necessary to build this house into a beacon of light for the city of Oakland.

May you release a fresh wind of your spirit and fresh revelation so that we may pioneer new ground, enlarging the borders and boundaries of your Kingdom in the earth realm. Lord, establish the work of our hands and add daily to NBO those who are being saved and those who will continue on in the things of God.
